**CSIT World Sports Games 2021 – Update and Preliminary Registration  
Successful Test-Event in Montecatini/Italy with a perfect working Covid-19 concept**

Dear CSIT Member Unions,  
Dear Presidents,  
Dear Friends,

I would like to provide you an update about the organisation of the CSIT World Sports Games this summer 2021 and inform you about a very successful Test-Event, that makes us very optimistic about staging the upcoming CSIT WSG 2021.

Only a few days ago my national organisation Associazione Italiana Cultura Sport has organized the AICS Roller Skating Championships in Montecatini/Italy with 1.500 participants as Test-Event for our CSIT World Sports Games 2021 this summer.

We were delighted, that we could come to the conclusion, that it is possible to organise and hold a major sporting event even during the Corona Pandemic, with challenges, but without problems and infections. This is also a sign that there is a desire to start again, a desire to do sport. Doing it safely is possible and necessary, for the good of our athletes, their families and the good of the community.

AICS was not only the organiser of this Roller-Skating Championships, but is also the operator and staging partner for the Commune of Cervia, the host of the CSIT World Sports Games 2021. These said Championships were a perfect opportunity to test the CSIT's Covid-19 concept for June in real-life conditions. The Covid-19 manager hired for WSG 2021 and her 40-people strong team managed to stage a Corona-free major event in Tuscany under currently extremely difficult circumstances.

For the CSIT WSG 2021 period in June, the circumstances should hopefully be easier to handle, as the upcoming extraordinary Covid-19 vaccinations plan, combined with the latest restrictions and strict measures in many Countries, should result in lower infection numbers and thus a much lower risk of infection. The current developments make us positive about the future, therefore nothing should stand in the way of hosting the CSIT World Sports Games.

We are confident that this will work out well and if other well-known major events take place this summer, so will our WSG 2021.

WSG – Partner Associations!

We are also very pleased with the lively interest and trust of our WSG Partners. Soon we will even have 10 partner associations contracted that will hold their championships in new sports within the framework of our WSG. Further information about our partners you can find on the official WSG 2021-Webpage!
