Annex 3: Fair Play and Panathlon

CSIT WSG Fair Play Policy

Fair Play is very important to CSIT. It reflects the real spirit of sports and is actually close to the aims of CSIT.

At the WSG 2021 will be CSIT Fair Play – activities, which are implemented more detailed in the CSIT championships regulations of each sport.

Besides the “Green Card” – visible in competitions and games – the Fair Play subject will also be visual and promoted at hotels, sports venues, websites and brochures.

Finally, Fair Play will get full attention at the closing ceremony, where teams – male and female athletes – with the highest Fair Play – coefficient will be awarded solemnly by cooperation partner EFPM – European Fair Play Movement

What is Fair Play?

Fair play is a complex concept that comprises and embodies a number of fundamental values that are not only integral to sport, but relevant in everyday life.

By implementing Fair Play – philosophy into CSIT World Sports Games and other championships, CSIT strives to more:

- fair competitions
- respect
- friendship
- team spirit
- equal opportunities
- fair access
- sports without doping and drugs
- respect for written and unwritten rules, such as
 - integrity
 - solidarity
 - tolerance
 - care
 - excellence
 - joy

This philosophy of Fair Play can be learnt and experienced on and off the sports area.

The long version of the CSIT Fair Play Policy can be found on www.csit.tv.

Therapeutic Use Exemptions (TUE)

CSIT advises athletes to notice the necessity of a Therapeutic Use Exemptions (TUE). See the table below.

What?	As an athlete, you may have an illness or condition that requires a particular medication. If this medication appears on the Prohibited List, you may be granted a Therapeutic Use Exemption (TUE), which gives you permission to take it.
Why?	TUEs ensure that you are able to obtain treatment for a legitimate medical condition—even if that treatment requires a prohibited substance or method. The TUE process avoids the risk of sanctions due to a positive test.
Who?	Any athlete who may be subject to doping control must request a TUE before taking a prohibited medication. All information in this request remains strictly confidential.
When?	An application must be made at least 30 days before taking part in an event. In exceptional cases or true emergencies, a TUE may be approved retroactively.
